Montessori Peaks Academy
9904 W Capri Ave
Littleton, CO 80123

Dear MPA Community:

I am writing to express my interest in serving on the Montessori Peaks Academy Board during the upcoming term.

I was first introduced to MPA while searching for a school for my then kindergarten student. It is hard for me to believe, but that was over six years ago. I now have both an upper elementary and lower elementary student in attendance. Our family is grateful to MPA for providing not only a fostering learning environment, but also a community of incredible teachers, staff and families that support us each day along our journey. It is with this sense of gratitude that I am looking to give back to our school by joining the board.

As a Director and Project Manager, most of my professional experiences have been focused around leading large scale initiatives from inception to completion. In this role, I ensure that my team and I maintain open communication with those impacted, adhere to a set budget, and meet a predefined timeline. Most importantly, I enjoy that each day I get to bring together people with different ideas and skill sets to work towards a common goal.

Over the years, I have seen the MPA board and staff tackle many projects to both sustain and grow our school community. Together, they have achieved monumental milestones, such as hiring a new principal, and creating a master plan for the upcoming building and playground expansion. I'm confident that my professional and personal desire to help deliver a well-orchestrated plan will be an asset to the board and to our school as we work on new initiatives in the coming years.

Thank you for your consideration.

Sincerely,

Becky Springstead
